## PRESIDENT'S MESSAGE

### "Summer Days"

Hello Fellow Kiwanians!

Summer got a late start this year. With August here, hopefully we can get out and enjoy ourselves.

Hats off to the Club! Everyone has worked hard on committees and raising funds all year so now it's time to "kick-back".

Here are some suggestions for August:

- Take a helicopter ride at the beach.
- Go to the top of a mountain in a tram.
- Put your chair in the water and read.
- Enjoy: ice cream, saltwater taffy and hot dogs.
- And above all, "Keep the sun on your shoulders and your toes in the sand."

We all deserve a welcomed warm summer break after a year of good works.

Enjoy August!

Ed Bellemare  
President

## SUMMER SUN by Robert Louis Stevenson

Great is the sun, and wide he goes  
 Through empty heaven with repose;  
 And in the blue and glowing days  
 More thick than rain he showers his rays.

Though closer still the blinds we pull  
 To keep the shady parlour cool,  
 Yet he will find a chink or two  
 To slip his golden fingers through.

The dusty attic spider-clad  
 He, through the keyhole, maketh glad;  
 And through the broken edge of tiles  
 Into the laddered hay-loft smiles.

Meantime his golden face around  
 He bares to all the garden ground,  
 And sheds a warm and glittering look  
 Among the ivy's inmost nook.

Above the hills, along the blue,  
 Round the bright air with footing true,  
 To please the child, to paint the rose,  
 The gardener of the World, he goes.
